

MORE CHURCHES, STRONGER CHURCHES

Multiplication Network Ministries (MNM) continued to see the vision of a healthy church representing the Kingdom of God in every community being realized in 2019. Because **YOU** gave, together we succeeded.

By God's grace and through your generous support, the gospel is growing throughout the whole world. In 2019, MNM completed the seventh translation of training materials. MNM now has ministry in over 40 countries, advancing toward the goal of focused ministry in 50 countries by the close of 2020.

MNM continues to produce new materials for training thousands of new church planters. During 2019, MNM realized 7,208 church planters active in planting a new church or completing their training. These leaders are now bearing fruit while introducing many people to Jesus through a local community of faith—His Church.

MNM receives verifiable reports every week confirming the transforming power of God when believers are in fellowship. The gospel has reformed those who have “heard it and truly understood God's grace.” Global change is occurring. Because **YOU** give, together we will succeed.

YOUR GIFT IN ACTION

“Growing throughout the whole world.”

Multiplication Network Ministries (MNM) equips local leaders who understand their culture, language, and social networks. This empowers them to share the gospel and train church planters more effectively. This transition from what has been the usual practice in typical global mission efforts has proven to be highly effective.

We train the trainers for entire denominations and associations so these workers can, in turn, train other church planters.

This approach allows us to reach many more people with our training as we multiply.
